Tulalip Indian Agency,
Tulalip, Washington.
November 12, 1929.

RECEIVED
NOV 15 1929

Commissioner of Indian Affairs,
Washington, D. C.

My dear Mr. Commissioner:

I am in receipt of your letter of November 7, 1929, in which you advise that Office records indicate that there have been annuity payments at this jurisdiction. The records of this office do not show that any annuity payments have been made. So far as I am informed, there are no tribal funds with the exception of the fund belonging to the Puyallup Indians. However, this fund has not as yet been distributed to the individual members.

The Clallam Indian of the State of Washington secured a settlement with the United States under the Act of March 3, 1926, in the amount of \$385,000.00. This amount was paid pro rata to each adult Indian in September 1926. Since that time individual payments have been made to the Clallam Indians when they reach their majority. These payments, however, were not considered as annuity payments.

On the census roll for 1929, the allotment numbers are shown for members who received allotments.

Very truly yours,

W. F. Duclos

Dear Mr. Duclos:

Office records indicate that there have been both allotments and annuity payments at your jurisdiction. None of the names appearing on your census roll for 1929 have any annuity numbers in the column provided for that purpose.

Sincerely yours,

(Signed) C. J. Rhoads

Commissioner.
